KUNAL SHARMA

Graffiti & Street Art

Comic Con lettering on a collaborative wall

Murals, commissions and live graffiti

Rooted in Jaipur

Kunal Sharma has spent more than a decade making graffiti in Jaipur. He was among the city's early artists to showcase graffiti in its street form and has helped grow the local hip-hop scene through his work.

His practice spans street tagging, lettering, characters and freestyle work, alongside commissions for brands, cafés, events and private clients. He also practises hip-hop dance and uses social media to document the culture and teach people about graffiti.

Neon graffiti with freestyle lettering and character work
